In Attendance

Thelma, Melissa R, Donna, Deanna, Kacy, Karey, Cassandra, Margie, Debbie, Sookyung, Terrance, Heather, Kayzy and Leah.

News and Updates

- Birth Defects has been added to SHS
- Finding was to promote programs/ services just in case the hospital doesn't/ wont.

Special Bequest

The special bequest program was developed to provide children with needed equipment and specialized services that are not traditionally covered by private insurance, Medicaid or the special health care needs program. Services such as

- Ipad to help with communication
- Swim passes for water therapy
- Pku formula

You may apply every quarter. SSI recipients are automatically eligible.

Program Funding

The overall funding for KDHE is \$13,254,317.00 annually. KDHE has 16 different funding streams for 5 programs. The federal government will be cutting \$94,000.000 this year, affecting 33 programs in 105 counties. Newborn screening will also be cut and the MCH block grant will get an increase.

Help Me Grow

Help me grow is a program that helps link communities together to provide resources. The program consists of a core team that is working towards replacing the KRG hotline and will support early detection for mental health patients. Currently HMG is looking for three pilot communities to test out new programs including IRIS to help share and spread resources.

Satellite Offices

- In the process of refining satellite offices and working with Mcvee.
- Kayzy will be traveling around and training new satellite offices.
- We will be working first with the uninsured families and then with Kancare and private insurance.
